ENOMYC ENTERS INTO STRATEGIC PARTNERSHIP WITH UFENAU CAPITAL PARTNERS AG

Dusseldorf, May 12, 2026

The partnership with Ufenau Capital Partners AG sets enomyc on the path for its next growth phase and the development of a leading consulting platform for transformation and restructuring in the DACH region. The platform is to be further developed with an international perspective and a clear focus on challenging mandates in the mid and large-cap segment.

The partnership is a response to the structural changes in the market. Companies are increasingly facing more complex transformation and restructuring situations and require higher implementation speed, operational excellence, profound industry expertise, and international connectivity.

Together with Ufenau Capital Partners, enomyc will strategically expand its platform. The focus is on expanding restructuring capacities, building additional industry competencies, organic growth, as well as integrating further specialized teams and consulting firms.

The operational management of enomyc remains unchanged. Martin Hammer, Uwe Köstens, and Julia Hammer will continue to lead the company through its next growth phase. For clients, investors, and market partners, the partnership means continuity in collaboration, additional impact, and an expanded service offering for complex change situations.
