Sancovia accompanies successful acquisition: Expansion of Microsoft competencies through integration of the VISIONDATA Group into the collana IT Group

July 12, 2024, Jul 12, 2024

The VISIONDATA Group, consisting of VISIONDATA AG in Hamburg and VISIONDATA GmbH in Bremerhaven, is now strengthening collana IT GmbH. The VISIONDATA Group is an established provider of ERP services and software solutions based on Microsoft Dynamics 365 Business Central, employing over 40 staff with proven expertise in the Microsoft environment.

With this acquisition, collana IT GmbH continues its value-driven acquisition strategy in the DACH region and expands its expertise and solution offerings in the Microsoft ERP realm. The VISIONDATA Group perfectly complements the collana IT Group and joins other renowned Microsoft partners such as the b4dynamics Group, Data Dynamic AG, GLI Business Solutions, and MAC IT-Solutions.

The VISIONDATA Group brings decades of experience and industry expertise in the fields of wholesale and foreign trade, services as well as trade in food, finished goods, chemicals, pharmaceuticals, raw materials, and resources. Their focus is on implementing tailored ERP and CRM solutions for small and medium-sized enterprises.

As of January 1, 2024, retrospectively, the VISIONDATA Group is part of the collana IT Group.

Sancovia initiated the transaction and advised the buyer throughout the entire transaction process.
